DIAMOND HEADS WIN

The Diamond Head Athletic Club again demonstrated on Saturday that they are going to make a name for themselves on the athletic field. They met the 10th Infantry, headed by Major Van Vliet, and took the soldier lads into camp by the close score of 3 to 2.

It was a great game, only four mistakes being made in the field. Each team got seven hits, so honors were about even.

Eddie Desha was in the box for the Athletic Club and did good work. He allowed seven hits and struck out seven men. Fenner, who was opposed to Desha, did equally as good work and promises to make good.

The Infantry started with a lead in the second inning and scored again in the fifth. It looked bad for the Heads during this stage of the game, as they were unable to make the circuit, and for five innings a zero was placed opposite their name. The Diamond Heads tied the score in the ninth and an extra inning was played. Simpson worked his base on balls and stole second. Sheldon put a hard one down the third base line, and Simpson scored the winning run.

Considering the line-up of the Diamond Heads the Soldiers did well to hold them down.

The Infantry team is improving and will soon be able to give the best of them a hard run for their money.

Following is the score:

COUNTRY CLUB PROSPECTS

It looks now as though the Country Club was an assured thing and that within the next few months Honolulu will boast of a Country Club that will be as fine as any in the States.

A committee consisting of C. J. Hutchins, C. S. Holloway, Dr. C. B. High and Ned Adams, visited the proposed site on the Hook tract in Kuan Valley yesterday. These men found that the conditions suited the project in every detail. The land and turf is the very finest for golf. There is a beautiful site for a club house, tennis courts and a swimming pool, a polo and cricket field could also be had. There is ample room for an 18-hole golf course. The ground was found to be dry and well drained.

It is reported that the financial end of the scheme is being well taken care of and that all the money necessary to carry through the scheme is in sight. New members are joining daily and every one is very enthusiastic.

Such a club as this would be one of the finest things in the country and would do much to bring tourists and vacation seekers. It would be a great place to entertain any strangers.

Work will probably begin on the tract within the next thirty days. Plans are drawn for the club house and everything is in readiness to take the initial steps. It is proposed to first lay out a 9-hole golf course and as the club grows and prospers to add another nine holes, making a regulation 18-hole course.

FANCY SKATING

Frank Davenport won the fancy skating contest and a pair of \$5 skates at the rink on Saturday night. Davenport is a peanut butcher.

HONOLULU IS ALWAYS THE ONLY SAFE PORT

"That tidal wave at Hilo last month condemned that port in my opinion," said Captain Bruhn of the steamer Kaula, which arrived from Hilo on Saturday. "I was lying at anchor in the harbor there with ninety fathoms of chain out and a kona gale tearing through the rigging. Alongside of me were the steamers Kalulani, Helene and Lehu, the ship Falls of Clyde and the bark Roderick Dhu. They were all in deep water and the waves were coming in mountain high. Then came the tidal wave. The water receded over nine feet and you could see the fishing sampans bobbing about in the mud alongside and then, after a few minutes, the water came rushing up the banks again. If one of the big freighters had been close in at this time and dropped on an uneven keel it would have placed her out of commission and probably broken her back. Honolulu is and will always be the only perfectly safe port for all shipping, large and small, year in and year out."

HIBERNIANS ENTERTAIN

ST. PATRICK'S DAY WELL REMEMBERED

MUSICAL AND LITERARY PROGRAM AT THE OPERA HOUSE DRAWS ENTHUSIASTIC CROWD.

St. Patrick's Day was celebrated in a rousing manner at the Opera House Saturday evening. The Ladies' Auxiliary and Division No. 1, A. O. H., presented a program that was in every detail a decided success. Encores were frequent and enthusiastic. The Hibernians did themselves proud. The St. Louis College Orchestra won unstinted praise.

Rev. Father Valentin sang "The Lost Chord" in an inspiring manner and Walter Gough gave a violin solo in splendid style. Madame Alapai's singing was truly delightful, as it ever is. Hugo Herzer pleased all with the magic of his voice. John Akana's bassoon solos were charming and Bruce Hartman's recitations were thoroughly entertaining. Miss Marion Bell supplied one of the highlights in her "Irish Love Song" and A. B. Angus' "Colleen" was finely rendered. Miss Adele de l'Artigue was bewitching in a buck and wing dance.

Frank D. Creedon, president of the A. O. H., and the Governor's private secretary, made the address of the evening, eloquently appealing for home rule for Ireland. Miss Rice and A. E. Murphy as accompanist and stage director, respectively, deserve great credit.

Bishop Libert and the clergy occupied the box at the right of the stage. The Queen and her party were in one of the loges and Mr. and Mrs. Ryan of Chicago, the other.

The committees in charge of the entertainment were:

Arrangements—Frank D. Creedon (chairman), Miss M. Alice Doherty, Mrs. C. H. Raven, Mrs. Timmons, Owen E. McCarthy, Miss Lillie Murray, Miss Helen McCarthy, Harry P. Davison, James T. Carey, A. E. Murphy.

Reception—Miss Alice Dowling, Miss M. Alice Doherty, Mrs. Timmons, Harry P. Davison, Miss F. McGhee, Miss Florence Dillon, Mrs. M. Cowen, James P. Quinn, Frank D. Creedon, James T. Carey.

Ushers—Miss Lillie Murray, Miss J. Dillon, Miss Maggie Hollinger, Miss Helen McCarthy, Miss Margie Quinn, Miss Nellie McGreevy.

PRESIDENT AS PEACEMAKER.

New York, Feb. 26. — President Roosevelt has again intervened as a peacemaker between the coal miners and operators and as the result of a letter addressed by him to John Mitchell, president of the United Mine Workers of America, a national convention of the United Mine Workers will be held at Indianapolis March 15 in an effort to reach an agreement with the soft coal operators in the hope of averting the threatened strike on April 1 in the bituminous coal fields.

The President's letter and the announcement that the national convention would be called were made public tonight by Mitchell after a long conference with Francis L. Robbins, president of the Pittsburgh Coal Company and chairman of the bituminous operators, who came to New York this morning. The President's letter to Mitchell is as follows:

"I note with great concern the failure of your late convention on the joint agreement to come to a basis of settlement of the bituminous mining scale of wages. You in this business have enjoyed great industrial peace for many years, thanks to the joint trade agreement that has resulted in the action of your successive conventions.

"A strike such as is threatened on April 1 is a menace to the peace and general welfare of the country. I urge you to make a further effort to avoid such a calamity.

"You and Mr. Robbins are joint chairmen of the trade agreement committee of the National Civic Federation and it seems to me that this imposes additional duty upon you both and gives an additional
